

# Competition Splits

**Competition Split:** Where the number of entries for a competition reaches 150 or more, it will be divided into an A split and a B split. If the number of competitors reaches 300 or more, the competition will be divided into an A split, B split, and C split. [IDTANA/2023]. If a national solo competition is split, World Medal Holders (WMH) at the time of the entry will be divided evenly in the splits. If there is an extra WMH, that dancer will be placed in the split with the higher number of dancers. [IDTANA/2023]

**Groups:** In order to accommodate hair, makeup and warmup, we have established a three (3) group system. Dancers in the Ladies/Girls, Adult and Advanced Adult Championships will be assigned a Group number (i.e.: Group 1, Group 2 or Group 3) indicating whether they will dance in the 1st, 2nd or 3rd section of Round 1. Dancers are responsible for ensuring they are side stage ahead of time for their rotation.

Failure to check in or missing a rotation results in disqualification for that round.
